

Altha High School Project Graduation

October 27, 2015

Dear Parents

Welcome to **Project Graduation 2016!** Planning for this very special event has begun. We need the help of all of our Senior parents/guardians, which begins with our Fundraisers and ends the night of Project Graduation. This event requires parent volunteers, as well as the financial and planning support of all of our parents/guardians and community. The concept behind **Project Graduation** began in the early 1980's. At the time, numerous students lost their lives in alcohol-related automobile accidents associated with graduation parties. Concerned parents decided to take a stand. As of today, there have been hundreds of successful drug and alcohol free graduation celebrations. The **parents** of the Class of 2016 are continuing this tradition and providing a memorable and extraordinary evening for our seniors!

On Thursday, May 19, 2016, the Class of 2016 will graduate from Altha High School. It is a joyous occasion for our seniors and the family. **Project Graduation** is a fully chaperoned, substance-free night for our graduates to celebrate their accomplishments. At approximately **10:00 p.m.** that night, the graduates will be bused to Dave and Busters in Pier Park, Panama City to celebrate the end of their high school years. Before returning by bus around 7:00 a.m., they will have danced, played terrific games, eaten great food, won prizes and much more all in a safe environment.

There are 2 parts to this communication: **Part I - Rules & Contract, Part II – Permission Slip** (both attached & **MUST** be completed in order to attend and participate). The **Rules & Contract** is binding and is to be taken very seriously. It is important that all information be filled out and signed by **BOTH** graduating student and a parent (or legal guardian). **Return Forms no later than Friday, December 18, 2015.**

While we are actively soliciting donations from area merchants and corporations, **parental support** is essential to make this event possible. Altha High School Project Graduation is a nonprofit organization. All contributions are tax deductible. Thank you for your much-needed support. **Best wishes to you and your kids for a great SENIOR year!**

Thank you for your cooperation.
The 2016 Project Graduation Committee
