Altha High School Project Graduation 2016

SPONSORED BY ALTHA SCHOOL PTO Georgia Granger, President
School Phone: 850-762-3121
School Fax: 850-762-9502

October 7, 2015

Dear Sir or Madam,

On May 19, 2016, Altha High School will be graduating 50 seniors. As you know, the social habits and activities of our young people today are giving us all a cause for concern. Over the last few years, alcohol and other drugs have been a very serious problem. Since we are all concerned about the safety of our young people, parents have planned an all-night event with refreshments, music, activities and prizes. This project has received tremendous support from the entire community and has proven to be successful all over the country. Our only requirement on the part of the students is that the party must be chemical free.

This program has become a vital part of a community supported effort to provide an enjoyable, yet safe graduation party for our greatest investment in the future – our young people. To make Project Graduation a success, we desperately need your help. Donations of prizes for the seniors and/or cash are needed. If you would like to, you may also donate prizes such as gift certificates, food or merchandise coupons, DVDs or compact discs, or similar items. Your support will be deeply appreciated. All donations will be used for Project Graduation 2016. No items will be resold or used for any other purpose. Donations may be payable to Altha PTO, Project Graduation. Donations may be mailed to:

Altha PTO - PROJECT GRADUATION 2016
Attention: Paige White
c/o Altha Public School
25793 N Main St
Altha, FL 32421

If you plan to make a donation other than cash, please fill out the enclosed acknowledgement form and return to the address provided so that we can plan our purchases accordingly. Your support for Project Graduation will be GREATLY appreciated and advertised along with other information supplied to local media. If you have already contributed, THANK YOU.

Appreciatively yours,
Altha Senior Parents
