

Florida's 2015-2016 ESE Parent Survey

Parents!

**We need your help to make Florida's 2015-2016
ESE Parent Survey a record success.**

Each year, the Florida Department of Education (FDOE) surveys parents of children with an individual educational plan (IEP) to determine how well your child's school is partnering with you and promoting your involvement in your child's education. All states must collect this data as part of their State Performance Plan, as required under the Individuals with Disabilities Education Act (IDEA).

Make your voice heard!

- The web-based survey is open now until May 31, 2016.
- You can complete the survey online at <http://www.esesurvey.com> or mail in the paper copy using the return envelope to the Department of Education. It was sent home with your child's report card.

Your feedback is important in helping the state and local school systems continue improving educational programs for children with special needs. **Thankyou!**
