

# FCCLA

Every year FCCLA members compete in Proficiency and Star events through programs from the National FCCLA Council. This year, Jeffery Waldorff and Cortney Harris are competing in Promote and Publicize FCCLA. One of the projects that this competition involves is contacting all FCCLA alumni and promoting them to become involved in the Alumni Associates Program. If any of you are out there, please become a part of our cause and help encourage all other alumni to join. Also, there will be articles put in the paper keeping you updated on the growth of our Alumni Program. Keep a watch out for more FCCLA news in our local newspaper. If you would like to join, or you are looking for more information, please contact Cortney Harris, Jeffery Waldorff, Marie Granger, or Megan Henson.

***CALLING ALL ALUMNIS!***
